Julia,
Last week you mentioned you would confer with your client regarding arbitration. Are you willing to stipulate to arbitration?

Thank you.

Best,
Janice

Janice,

This is the first that I am hearing of any arbitration agreement - certainly it was not discussed during our conference last week. I will need to confer with my client regarding this and will let you know what her position is. Assuming that your client is going to attempt to enforce this, one option that we would (potentially) be willing to consider for efficiency sake, is agreeing to proceed with a bench trial. This would allow the case to continue without needless delay and would certainly save your client a tremendous amount of money in arbitration fees.

Please discuss with your client and let me know your thoughts.

Thanks,

Julia

Julia,

Attached please find the arbitration agreement. You will note that it is unsigned. We were able to confirm, however, that Ms. Johns did not opt out electronically or respond within 45 days—either of which would have allowed her to opt out of arbitration. That is attached as well.

Thank you.

Best,

Janice
